

Partnership Confirmation Letter

I, the undersigned, *President, Lousineh Hakobyan*, acting as the statutory representative of *Europe in Law Association NGO*, a person registered in *Armenia*, registration No. 03A090655, a Partner to *Baltic Human Rights Society*, attest with my signature that the Partner which I represent:

- 1) is prepared to participate in the project *Human Rights Guide - human rights education for strengthening the respect of rule of law and democratic values*, understands its role in the project and undertakes to fulfil assignments set out in the project application, should a decision be made to sign a grant agreement with the project applicant;
- 2) confirms the correctness and accuracy of the information provided and assumes responsibility thereof;
- 3) confirms that the final beneficiary (target groups) as envisaged in the project, have confirmed their participation in the project;
- 4) declares that project supervisors and evaluators will be provided with all necessary assistance and information, it is allowed to control the progress and impact achieved in the course of the project, as well as five years after the end of the project implementation period, the project supervisors will be ensured access to the necessary information, including regarding the use, in accordance with the project objective, of fixed assets acquired during the project;
- 5) confirms not seeking double funding for the implementation of the same activities / not participating in any projects that have been submitted to seek funding from different sources for one and the same application;
- 6) has not involved any natural persons or legal entities in the implementation of the project who have been declared insolvent, are subject to legal protection proceedings or liquidation proceedings, whose economic activities have been suspended or terminated, legal proceedings started on the termination of their economic activities, insolvency or bankruptcy (does not apply to central or local authorities and other legal entities under public law), are subject to reorganisation or amicable settlement;
- 7) has not involved any natural persons in the implementation of the project who have been convicted for bribery and who have been punished, as well as natural or legal persons whom coercive measures have been applied to for any of the following criminal offences: accepting a bribe, bribing, misappropriation of bribe, intermediation in bribery, unlawful participation in property transactions, unauthorised receipt of benefits, commercial bribery, unlawful requesting, accepting or giving a benefit, trading in influence;
- 8) has not attracted any natural persons or legal entities to the project who are subject to international or national sanctions, or sanctions which affect the performance of the project and which are laid down by the Member State of the European Union or that of the North Atlantic Treaty Organisation affecting significant financial market interests;
- 9) has not involved any natural persons or legal entities in the implementation of the project having links with non-cooperative jurisdictions for tax purposes in accordance with Commission Recommendation (EU) 2020/1039 of 14 July 2020 on making State financial support to undertakings in the Union conditional on the absence of links to non-cooperative jurisdictions.

Further action by the Partner in pursuit of the goals of the competition in the beneficiary country after the completion of the project will be as follows:

- contribution to strengthening good governance, rule of law, civil society and democratic participation in Armenia through democratic citizenship and human rights education;
- maintaining and ensuring the accessibility to the project results – online self-help and education platform Human Rights Guide in Armenia in cooperation with Baltic Human Rights Society;
- using the project results for implementing further human rights education activities and programmes for different target groups.

(In the case where the Partner is prepared to partly meet expenses (though financial or practical contribution, i.e., carry out the planned activities without receiving remuneration))

The Partner confirms its intention to provide EUR N/A to cover the project costs (by means of financial or practical, tangible or intangible (in-kind) contribution) as specified by the Project Applicant in the project budget.

I am aware that in the case it is established that I have provided misleading information knowingly or due to negligence, the project applicant will be denied the possibility of receiving support, and the Ministry of Foreign Affairs will have the right to apply to law enforcement institutions.
